

HAIRDRESSING SALONS AND

BARBERS' SHOPS

(Tariff "HD")

Effective from January 1, 2016

1. SCOPE OF TARIFF

This Tariff applies to the performance or communication to the public of musical works and sound recordings provided by means of radio/television receiving sets, disc players, tape machines and similar devices in hairdressing and similar establishments.

2. GENERAL CONDITIONS AND DEFINITIONS

- 2.1** This TARIFF applies only to performances/communications to the public of such musical works and sound recordings covered by a license from UPRS, obtained before the performances/communication to the public commenced. Any performances/communications not so covered will be assessed at double this tariff. UPRS is not bound to offer a license under this tariff in respect of any performances/communications for which application was not made in advance.
- 2.2** This tariff applies to the performance/ communication to the public of musical works and sound recordings at said premises as background music. There are specific types of performance/ communication to the public that UPRS does not classify as background music and which are licensed under separate tariffs. Apart from these exceptions, all other types of performance/communication are classified as background music.
- 2.3** For clarity UPRS confirms that the total license fees due under this Tariff are arrived at by adding the individual charges for musical works and sound recordings together.
- 2.4** The LICENSE FEES are calculated on a basis of customer accommodation. "Customer accommodation" refers not only to the "dressing chairs", but also to seats for customers awaiting their turn. The latter also have the benefit of the music.
- 2.5** UPRS reserves the right to make such variations in this tariff as it considers appropriate when licensing premises or performances/communications which, in its opinion, do not fall within the scope of this tariff.
