

ROADHOUSES, TAKE AWAYS AND SIMILAR PREMISES

(Tariff "H5")

Effective from 1 January, 2016.

1. SCOPE OF TARIFF

This tariff applies to the performance or communication to the public of musical works and sound recordings by means of devices such as radios, television sets, disc players or tape machines in Parking Lots associated with Roadhouses, Take Away, Refreshment Chalets and similar premises.

2. GENERAL CONDITIONS AND DEFINITIONS

2.1 This tariff applies only to performances/communications to the public of such music covered by a license from UPRS, obtained before the performances/communications to the public commenced. Any performances/communications not so covered will be assessed at double this tariff. UPRS is not bound to offer a license under this tariff in respect of any performances/communications for which application was not made in advance.

2.2 This tariff applies to the performance or communication to the public of musical works or sound recordings at said premises as background music. There are specific types of performance/ communication to the public that UPRS does not classify as background_music and which are licensed under separate tariffs. Apart from these exceptions, all other types of performance/ communications are classified as background music.

2.3 For clarity UPRS confirms that the total license fees due under this Tariff are arrived at by adding the individual charges for musical works and sound recordings together.

2.4 The LICENSE FEES are calculated by reference to the total parking space(number of cars) provided at the premises.

2.5 UPRS reserves the right to make such variations in this tariff as it considers appropriate when licensing premises or performances/communications which, in its opinion, do not fall within the scope of this tariff.
